CYCLE ROUTE AROUND ALTON WATER

Please read code of conduct before leaving on your cycle ride.

a. From hire Shop take track over zebra crossing (1), follow path for 1.5 miles until reaching Wonder Car Park (2).

b. Take cycle track through Wonder Car Park until reaching Lemons Hill Bridge and the half-way point (3).

c. Go over bridge and turn right into Lemons Hill Car Park (4) and keep to track until reaching electric substation (5) which is half a mile along, at this point you have a choice of routes.

ROUTE A *(easier route)*

Take path out onto public highway turning right, follow road along for 1 mile until reaching the woods *(on your left)*. Then take an immediate right down along a tarmac road until you come to a wooden gate on your left, which then rejoins you to the cycle track.

ROUTE B *(more challenging)*

Stay on original cycle track over hilly terrain and continue until reaching dam wall, back past sailing centre and into car park, just in time for a nice refreshing drink.

A total of approx 8 miles.
